

July 2010

Vehicle Registration Information

Parking permits are **REQUIRED** for all student and staff vehicles parked on school property between 7:00 a.m. and 4:00 p.m. weekdays.

All students planning to park on campus must complete the registration form enclosed and bring it along with proof of the vehicle's registration to the Main Office or Student Services. The deadline for registering your vehicle without penalty is September 24, 2010. The cost is \$50.00 per student. Additional registration forms are available in the Student Services Office.

Students who choose to drive to school are expected to abide by the driving and parking regulations printed on the registration form. These regulations are also included in the Student Handbook/Planner.

If you have any questions, please call the Student Services Office at 923-5390.

- | | |
|------------------|--|
| First Violation | Loss of driving privileges for two weeks |
| Second Violation | Loss of driving privileges for the <i>remainder of the semester</i> |

STUDENT DRIVERS AND VEHICLE REGISTRATION INFORMATION

The student government and staff of both high schools have worked carefully to suggest improvements in parking lot procedures. It is considered a privilege to drive your car to school. Provisions are made for student, faculty, handicapped and public parking. Students must park in the appropriate designated areas at all times. Fire and other emergency vehicle lanes must be kept clear. All vehicles must have a parking permit adhered to the lower left rear window (driver side) in order to park on school property. A security guard assists in the parking lot and every possible effort will be made to make parking in the lots safe for all.

Violations, including parking in the staff areas, may result in the loss of your driving privileges to school. Illegally parked cars may be towed. The following regulations must be observed at all times:

1. Observe all stop signs and warnings when entering and exiting the parking lot.
2. Park between yellow lines only, not on the lines.
3. Fire lanes and yellow curbs indicate "No Parking."
4. Blue lines, blue curbs and signs indicate "Handicap Parking" only.
5. Do not park in the spaces reserved for staff members and visitors to the building.
6. Observe the 15 mph speed limit at all times when in the parking lots.
7. All vehicles must be locked every day. Midland Public Schools cannot be responsible for stolen property.
8. Proper respect shall be given to the security guard at all times.
9. A student who operates a vehicle upon school property is considered to have given consent to search of the vehicle with cause. A parent or guardian who grants permission for his/her student to operate a vehicle on school property is also considered to have given such consent to search of the vehicle.
10. Trash should be disposed of in the proper receptacle.
11. If a student drives on school property when driving privileges have been suspended, the student may lose driving privileges for the remainder of the semester.
12. Suspension of driving privileges for moving violations at one school applies at all other schools. During any suspension of driving privileges, the student may not drive or allow his/her car to be driven by another student.

We have read and agree to all the conditions set forth in Regulations 1-12. We agree and understand that any violation of any of these regulations may result in revocation of driving privileges. We expressly consent to search of the vehicle as stated in Regulation 9. We grant permission for the student to operate the registered vehicle upon school premises subject to the regulations.
